

Registration and Availability Form

(Dark Blue 18+, Light Blue Under 18)

THANK YOU...

...for showing interest in the

Noise Project Chichester.

THE NOISE PROJECT CHICHESTER is a community project which runs throughout the year with a key focus on the Parklands and Swanfield sites during may and the summer half term holidays.

(For more info on the programme for each day visit www.noiseprojectchi.org.uk)

The project aims to take people from the churches out, united into the community to show God's love in practical and fun ways.

Saturday Fun Day – We need helpers to man the inflatable's, run the BBQ, talk to parents, and to generally join in with the fun and games.

Craft on Swanfield – We need volunteers to get involved and help run these kids craft sessions including making drinks and talking to parents!

We need help with all aspects of these projects... **Clearing, making drinks, talking to residents, running games** and many many more as well, so if you think you can help with anything, then WE NEED YOU!

For more information please see your churches 'Noise Project Chichester' representative!

Please complete this availability section by ticking the boxes you can help with (please make your own record of these commitments as a reminder to yourself) and also fill out the registration info on the other side asap so we know how many people we're going to have.

Swanfield site

Fun Day Saturday 1pm setup on green then 2-4pm

Craft on Swanfield Tuesday 9.30am setup then 10-12noon

Thursday 9.30am setup then 10-12noon

By filling this in you are committing to take part in the project at these times. Please let your Noise representative know if you can't make them.

THANK YOU again, please now turnover and fill in the registration section.
